#### 16. DUO SHOCK

GERMANY, ITALY - WHEEL OF DEATH

#### BACKWARDS SOMERSAULT OUTSIDE THE WHEEL OF DEATH

Sonny Gartner, Germany; Mario Mietitore, Italy; they perform as DUO SHOCK: two daring acrobats who are presenting one of the most dangerous acts of the Circus, the *wheel of death*, a large rotating apparatus that sees the artists perform acrobatics on the inside and outside. Sonny is the son of famous elephant trainer Joseph Gartner, and was the first performer in the world to execute a backwards somersault outside the moving wheel of death. Duo Shock has already won numerous awards at important international events. In 2018 they worked in the Moira Orfei Circus, and in 2023 they worked in Cirque du Soleil's Mad Apple in Las Vegas.

#### 17. ARGENDANCE

ARGENTINA - BOLAS

#### ARTISTIC FUSION IN THE CIRCUS: MUSIC, DANCE, FOLKLORE, BOLAS FROM ARGENTINA

The Argendance Company, directed by Diego Franca and Aldana Balbuena, was founded in 2014 in Miami with the aim to promote Argentinian culture around the world through Tango and Malambo. Argendance, along with numerous appearances on TV shows, in theatres and circuses, is part of the cast of the largest Circus in the world, Ringling Bros. and Barnum & Bailey, who are about to embark on their latest US tour. This performance from the Argendance company is an anthology of arts: Music, Dance, Folklore and Circus mixed up to create a truly spectacular and captivating number. Within this display there is also a *bolas* performance: bolas originated as a hunting tool, used as a kind of weighted lasso. In this number by Argendance they become a part of a refined and expert performance as they are spun at great speed and very up close to people.

#### 18. TRIPLE BREATH

UZBEKISTAN - HIGH WIRE

# ORIGINAL REINTERPRETATION OF A CLASSIC HIGHWIRE NUMBER

Balancing acts on wires or ropes have varying manifestations: *low wire, slack wire, high wire...* the Triple Breath troupe, from Uzbekistan, is performing a reinterpretation of the classic *high wire* number with new tricks for this particular discipline, which is being presented with a particularly evocative and atmospheric soundtrack.

This troupe was founded by Kristina Vorobeva, who is a former winner of the highest award at the International Circus Festival of Monte-Carlo. Photos: "Sky Angels Presents" tightrope walkers "Triple Breath"

# **21. WINGET TROUPE**

ETHIOPIA - BANCHINE

# **ENTHUSIASM AND ENERGY IN A BANCHINE NUMBER FROM THIS ETHIOPIAN TROUPE**

Banchine is one of the classic Circus disciplines: it is an acrobatic discipline in which the flyers are thrown in the air by the arms of the base performers, performing bold aerial feats and somersaults. The Winget Troupe, founded in Ethiopia in 2015, is made up of eight acrobats, who perform this banchine number with the sounds, colours, enthusiasm and energy typical of Ethiopian artists: a performance full of talent that shows how rapidly Circus arts are developing in Ethiopia.
