Shows A and B, whilst containing different acts, are of the same high professional and artistic level, and simply reflect a necessary division of numerous competing numbers into two separate shows.

SHEYANG COUNTY ACROBATIC TROUPE

China – Acrobatics

A SOPHISTICATED DISPLAY OF VIRTUOSITY SHOWING OFF CHINA'S LONG ACROBATIC TRADITION.

One would need to go back a few thousand years to find the origins of traditional Chinese acrobatics, an ancient art that comprises numerous disciplines: from the *dragon dance* to *artistic gymnastics*, *martial arts* and *juggling*. Leaps and somersaults have always formed a part of Chinese classical dance. The county of Sheyang is situated

on the eastern coast of China, in the province of Jiangsu. The Sheyang Acrobatic Troupe, with its ample experience in performance art, has created an elegant and refined acrobatic number for the Festival in Latina, performed by two young artists in a sophisticated sequence of virtuosity.

JIANGSU ACROBATIC TROUPE

China – Hand balance

JIANGSU ACROBATICS IN THE CIRCUS RING AT LATINA, PART OF THE CULTURAL HERITAGE OF CHINA.

Chinese culture often associates acrobatic displays with traditional festivities; acrobatics, originally a part of *Chinese classical dance*, have undergone changes over the centuries in terms of *gymnastics and performance art*. It is believed that Chinese acrobatic arts evolved in the area of *Jiangsu*, a province of China situated on its eastern coast. The Jiangsu Acrobatic Troupe, from this area, is performing a sophisticated hand balance number at Latina; an artistic anthology that uses complex choreography to great effect. The *Chinese acrobatics of Jiangsu* have been recognised as part of the cultural heritage of China since 2008.

LOS VALENTINOS

Venezuela – Trampoline

A HISTORICAL CIRCUS FAMILY FROM LATIN AMERICA, CUSTODIANS OF HISTORIC PERFORMING TRADITIONS.

The name *Los Valentinos* is synonymous with big Circus: a brand created by third-generation artists *Renato and Valentino Fuentes*. Members of the most popular Mexican Circus Dynasty, they enjoy immense fame in Mexico, Colombia, and Venezuela. Passionate and versatile performers, *Los Valentinos* perform permanently in their family Circus, which is one of South America's most popular Circuses, also known as the location of the awards ceremony of the *Juventino Fuentes Gasca* prize. The Fuentes family are custodians of a historic tradition in *elastic trampoline* skills, which they demonstrate in an anthology put together specifically for this Festival in Latina.

THE FLYING VALENTINOS

Venezuela – Flying trapeze

A CLASSIC CIRCUS ACT WITH THE ADDED COLOUR AND VERVE OF SOUTH AMERICA.

Los Valentinos is a real brand all over South America: as well as being appreciated performers, the members of the *Fuentes* family have branched out into other spheres, from showbiz production to amusement park management. In a strictly artistic sense, *Los Valentinos* show notable versatility combined with demonstrated competence. The Flying Valentinos represent the artistic side of the brand. This large troupe of *flying trapeze* acrobats embraces all the classic traditions of Circus performance; this classic number, however, is enriched by the colour and verve that is typical of Latin American culture.
